FARMERS' AMERICAN SOCIETY OF EQUITY

Represented Here Saturday by T. T. Barrett, of Henderson, Ky.

AN ORGANIZATION WAS AFFECTED HERE

T. T. Barrett, of Henderson, representing the American Society of Equity, spoke here Saturday afternoon to a large gathering of farmers in the interest of the Society he represents.

His talk was listened to attentively and respectfully by his audience, most of whom are interested directly or indirectly in the tobacco question. After the speech an organization was effected with A. H. Cardin, of View, as president, and R. E. Flanary as secretary. Committeemen were appointed to confer with the farmers and ascertain if they would be willing to pool their tobacco and put it in the Society's warehouses. The following were named by the president as committeemen and they were instructed to report at the next meeting, which is to be Saturday, Dec. 29, in the Marion court house:

T. C. Campbell,
John Koon,
Riley Brasher,
R. F. Wheeler,
Frank Adams,
Thos. Woody,
Albert Lucas,
W. B. Stembridge,
Henry Brouster,
H. G. Howard,
Jasper Franklin.

A FATAL BUGGY RIDE

John Tabor, of Mexico, Found Dead in a Buggy Near Bob McGee's House Last Saturday Night

Last Saturday night at ten minutes past eight o'clock, John Tabor, of Mexico, was found dead in a buggy near Bob McGee's house. His body was partially in the buggy but his head and shoulders were between the wheel and shaft.

He was still warm when found and R. B. Rushing tried to arouse him, thinking he was not dead. It is not known what caused his death. He had been to Fredonia with Bob McGee and on returning the latter stopped at old Centerville at Mr. Parkers for a few minutes, but when he came out of the house Mr. Tabor and the mule and buggy were gone and nothing more is known, as he was not seen by anyone until discovered in the buggy by Mrs. Ella McGee at her front gate.

He leaves a widow and nine children in rather destitute circumstances.

Still Distributing Christmas Money.

J. W. Tolly, the agent of the Paducah Cooperage Co., is still buying timber. This week he paid J. R. Postlethwaite \$300.00 and G. P. Blanton \$700.00 for timber, making another thousand dollars.

A LETTER FROM AN APPRECIATIVE PATRON

A Mining Capitalist Commends the Press Through Interesting Letter

A "STUNNER" AND A "CLINCHER."

Mr. S. M. Jenkins, Marion, Ky.
Editor Press:—Kindly send me twenty-five copies of last week's Press. It was a "Stunner" and a "Clincher." I had just written about the same facts to a prominent New York capitalist inclined to invest.

I am now preparing a technical article on the chemical uses of fluorspar, showing that it is now in fact a very desideratum in nearly all the industrial arts and that God never made any substitute for fluorine or fluorine acid which gives it its chief value.

The consumers seem to have noticed some of the official Geologists to say in official reports that unless fluorspar is sold at very low rates consumers would resort to cheaper "fluxes,"—as the Calcium Fluoride is only a "flux."

I have seen fluorspar sell in the early seventies at from \$30 to \$60 per ton and the demand could hardly be supplied at these prices. (By the Old Royal Mine on the Cumberland.) Our assistant state Geologist did admit in his report that two barrels were sold at the above price, whereas I can show from the books of the old River Mining Co. that hundreds of tons were sold in New York, Philadelphia and Baltimore at \$30, \$45, \$50 and \$60 per ton and it is better worth it now than then and if the producers would "pull together" as consumers do they would, at least, get fair prices. "A better day is dawning, the clouds are breaking away."

TWO INFANTS DEAD

The Death Angel Visits the Homes of Mr. and Mrs. E. H. Doss and Mr. and Mrs. Howard McConnell

The three weeks old infant of Mr. and Mrs. E. H. Doss died Saturday morning rather unexpectedly. It had been sick for a week but such a sudden fatal termination was not looked for and its death was a great shock to its parents. Septic poisoning was the immediate cause of its death, but there were other complications. The interment took place at 2 o'clock Saturday.

Loraine, the little baby girl of Mr. and Mrs. Howard McConnell, died Tuesday, Dec. 18th, 1906, at noon of bronchial pneumonia at their home in Henshaw, Ky. The remains were brought here Tuesday night and taken to the residence of its grandparents, Mr. and Mrs. A. J. Duval, on Walker street. The funeral was held at the residence at 1:30 p. m. Wednesday and the interment immediately afterward in the New Cemetery. Mr. and Mrs. McConnell have the sympathy of every one in the loss of their first born. It would have been four months old Christmas day, having been born Aug. 25th, 1906.

GROWING RAPIDLY

New Marion Lodge No. 198, I. O. O. F. of this City, Enjoying a Steady Increase

In November 1905 a few citizens of this city met in the Pierce Hall and with the help of the Morganfield and Sturgis Lodges organized a lodge of Odd Fellows with only nine members.

This little band went to work and toiled faithfully and held regular meetings regardless of conflicting dates, the bad weather, etc. and in January 1906 the membership had increased eleven members making a total of twenty.

They moved from the Pierce Hall to the Masonic Temple in January and there they initiated a goodly number of candidates.

They purchased a hall situated on Salem and Court streets, of William Porter and after having it repaired, wired and fixed to their satisfaction they moved into it on Nov. 16th, 1906, just one year from the date of the organization. Since then, several candidates have received the mystic rites of Odd Fellowship and we predict a steady growth of membership for this hustling order.

The lodge wishes to thank the Masonic brethren, through the Press for the kindness shown them while occupying their hall, and the Odd Fellows will always have a fraternal feeling for Bigham Lodge No. 256, F. & A. M.

At their regular meeting next Friday night, New Marion Lodge will hold their regular semi-annual election to elect officers for the next term and urge all members that can make it possible to attend this important meeting.
